|--------------|--|
| 2024-Present | Associate Professor
Department of Plant Science and Landscape Architecture
University of Connecticut, Storrs, CT. |
| 2018-2024 | Assistant Professor
Department of Plant Science and Landscape Architecture
University of Connecticut, Storrs, CT. |
| 2019-2022 | Faculty Affiliate & Resident Faculty
UConn Sustainable Global Cities Initiative, Hartford, CT. |
| 2021-Present | Advisory Faculty
UConn Center for Land Use Education and Research (CLEAR) & CT NEMO
(Nonpoint Education for Municipal Officials) Stormwater Corps Program |
| 2020-2021 | Affiliated Faculty
UConn NatureRx Initiative |
| 2014-2018 | Assistant Professor
Department of Landscape Architecture, Texas Tech University, Lubbock, TX. |
| 2013-2014 | Instructor
Department of Landscape Architecture, Yeungnam University, Korea. |
| 2014 | Research Director
Eco-Research Institute, NEXUS Environmental Design, Korea. |
| 2005-2008 | Graduate Teaching and Research Associate
Arizona State University, Tempe, AZ. |
| 2001-2005 | Research Fellow
Korea Environment Institute, Seoul, Korea. |
| 2000-2001 | Research Fellow
Korea Research Institute for Human Settlement, Anyang, Korea. |

EDUCATION

- Ph.D.** **Environmental Design and Planning, Arizona State University, Tempe, AZ, 2011.**
Dissertation: Ecological Connectivity Assessment and Urban Dimensions:
A Case of Phoenix Metropolitan Landscape
- M.L.A.** **Landscape Architecture, Seoul National University, South Korea, 2000.**
Thesis: Application of Nature Environment Audit focused on Natural Resources:
A Case Study on the Demilitarized Zone (DMZ), Korea
- B.S.** **Biology, Sookmyung Women's University, South Korea, 1997.**

CERTIFICATES/ MICRO-CREDENTIALS

- 2018 Sustainable SITES Accredited Professional, Green Business Certification Inc. SITES-
AP-0000001945
- 2020 ESRI Spatial Data Science
- 2017 Designing Early Childhood Outdoor Environments, North Carolina State University

PROFESSIONAL RECOGNITION

- 2025-2028 **Regional Director (Region 7),** Council of Educators of Landscape Architecture (CELA)
- 2024 **CSI Research Fellow,** Landscape Architecture Foundation (LAF) 2024 Case Study
Investigation (CSI) Program
- 2024-Present **Co-Chair,** APRU SCL Urban Landscape Biodiversity Working Group
- 2020-Present **Chair,** USDA NIFA NE 1962 National Multi-State Research Group
- 2019-2022 **Chair,** ASLA Ecology and Restoration Professional Practice Network (PPN)
- 2015-2023 **Chair,** CELA Sustainability Track, Resilience 100+1 Theme Track, and Resilience and
Climate Action Track
- 2020-Present **Vice President,** Global Landscape Architecture Network

AWARDS, HONORS & FELLOWSHIPS

- 2024 **George A. Yarwood Award**
The Connecticut Chapter of ASLA
- 2023 **Research Merit Award**
The Connecticut Chapter of ASLA 2023 Professional Awards
- 2022 **Excellence in Service-Learning Award**
The Council of Educators in Landscape Architecture (CELA) 2022 Faculty Awards
- 2021 **Emerging Faculty Award**
UConn Provost's Awards for Excellence in Community Engaged Scholarship
- 2021 **Second Place**
EPA Campus RainWorks Challenge Design Competition. Ecolog-L.I. Sound:
UConn Avery Point Master Plan. Lead Advisor for interdisciplinary student team
- 2021 **First Place**
Prouty Delta Development Initiative Design Challenge. Holistic Haven. Advisor for
Alex Heckman
- 2020 **Second Place**
Prouty Delta Development Initiative Design Challenge. Village Hidden in the
Leaves, Advisor for Ryan Gussen
- 2020 **Merit Award**
The Connecticut Chapter of ASLA Student Design Competition: Site Design
Category. "Seeds for the Future". Advisor for Ely-Anna Becerril.
- 2020 **Honor Award**
The Connecticut Chapter of ASLA Student Design Competition: Site Design
Category. "UConn HEEP Pollinator Garden". Advisor for Collin Sitz.
- 2019 **First Place**
UConn Sustainable Global Cities Initiative Essay Prize. Advisor for Jeanna
Erickson.
- 2019 **Merit Award**
The Connecticut Chapter of ASLA Student Design Competition: Site Design
Category. "Considine Estate-Sunset House". Advisor for Moisés Hernández-Rivera.

- 2019 **Merit Award**
The Connecticut Chapter of ASLA Student Design Competition: Planning and Analysis Category. “Coastal Resiliency”. Advisor for Anthony Madore.
- 2019 **Second Place**
LABash Design Competition. Advisor for Moisés Hernández-Rivera.
- 2019 **NASA-MSU Professional Enhancement Award**
North American Regional Association of the International Association for Landscape Ecology.
- 2018 **Finalist**
Dream Green Hartford Eco-Design Challenge. Advisor for Chris Wojick, Nick Kavadas, Miguel Fraga, and Pan Zhang.
- 2018 **Merit Award**
Texas Chapter of ASLA Student Design Competition: General Design Category. “Sustainable Regional Growth”. Advisor for Blane Potts & Derek Gay
- 2018 **Merit Award**
Texas Chapter of ASLA Student Design Competition: Analysis and Planning Category, "Hopeful Housing". Advisor for Hank Oliver, Natalie Campbell and Alex Sherwood.
- 2018 **First Place**
ASCE Texas-Mexico Student Symposium Research Poster Competition. “Using Green Infrastructure and Storm Water Design to Reduce Flooding on Campus”. Advisor for McKenzie Aubuchon, Olivia Ross, Thanh Tran, Leah Kimbrell, & Afsana Sharmin
- 2017 **First Place**
Texas Tech 15th Annual Graduate School Poster Competition: Humans and Environment Section. March 25, 2017. Advisor for Michael Ross.
- 2017 **Obesity Research Cluster Fellow, Texas Tech University.**
- 2017 **Institute for Inclusive Excellence Fellow, Texas Tech University.**

- 2017 **Nature and Life Research Society Fellow**, Korea.
- 2017 **Doctoral Dissertation Completion Fellowship**, ASU Graduate College.
- 2015 **IALE World Congress Student Award**
- 2011 **Association of Collegiate Schools of Planning Scholarship**
- 2009 **Arizona State University GPSA Research Grant Award**

AWARDS NOMINATION

Northeast Region Award, Experiment Station Section Award for Excellence in Multistate Research – *2023 Nominee*

The CELA Faculty Awards in Research and Creative Works – *2024 Nominee*

The CELA Best Paper Award in Landscape Research Record – *2023 Nominee*

UConn CETL Teaching Innovation Award – *2023 Nominee*

UConn CAHNR Excellence in Outreach and Engagement – *2023 Nominee*

The CELA Faculty Awards in Research and Creative Works – *2023 Nominee*

CONFERENCE ORGANIZATION

- 2022 1. The Olmsted Legacy and the Sustainable City. April 21-23, 2022. Hartford, CT. Co-organizers: **S. Park** & P. Birge-Liberman (UConn Urban Studies)
- 2021 2. International Conference on Design and Research for Healthy Communities and Healthcare Facilities. May 17, 2021. Co-organizers: F. Dussart (UConn Anthropology) & **S. Park**.
- 2021 3. ASLA Ecology and Restoration Professional Practice Basecamp Session. November 20, 2021. Nashville, TN. **S. Park** & Elyna Grapstein (University of Georgia)

INVITED PRESENTATIONS

- 2024
1. Roles of Landscape Architecture in the Era of Biodiversity Crisis. Seoul National University. Graduate School of Environment. December 19, 2024.
 2. Urban Nature and City Planning. UNIV 1820. NatureRx: How spending time with nature improves (your) health. November 20, 2024.
 3. Case Studies on U.S. Arboreta and Botanic Gardens: Innovative Designs, Best Practices, and Challenges. Korea Ministry of Personal Management Global Expert Webinar. October 30, 2024.
 4. Biodiversity-Positive Design: Empirical Evidence and Case Studies. ARPU Biodiversity for Sustainable Cities Webinar. October 15, 2024.
 5. ASLA Biodiversity & Climate Action Committee: Increasing Biodiversity. ASLA National Conference, Washington DC. October 8, 2024.
 6. Biodiversity By Design: Latest Research and Strategies. ASLA Biodiversity and Climate Action 101 Webinar Series. September 26, 2004.
 7. Community Planning for One Health. Department of Pathobiology (Dr. Elsie Wunder; PATH 1100E: One Health. March 26, 2024.
 8. Transforming Urban Vacant Lots: Building Sustainable Communities. Center for Learning in Retirement. UConn Depot Campus. February 14, 2024.
- 2023
9. Academic Career Path in Landscape Architecture. ASLA Spark Talk. November 9, 2023.
 10. Land Bank Property for Socio-Ecological Community Benefits. Seoul National University. Graduate School of Environment. July 19, 2023.
 11. Public Education Programs in National Forests, Botanical Gardens, and Arboreta. Korea National Arboretum. Pocheon, Korea. July 3, 2023.
 12. Land Bank Property for Socio-Ecological Community Benefits. Seoul National University, Department of Urban Planning. July 8, 2023.
 13. Landscape Architecture Education and Career Development. Hankyung National University, Department of Landscape Architecture. June 20, 2023.
 14. Land Bank Property for Socio-Ecological Community Benefits. University of Seoul, Department of Landscape Architecture. June 8, 2023.

15. Land Bank Property for Socio-Ecological Community Benefits. Hanyang University, Graduate School of Landscape Urbanism. May 24, 2023.
16. Land Bank Property for Socio-Ecological Community Benefits. Kangwon University, Department of Ecological Landscape Architecture Design. May 10, 2023.
17. Land Bank Property for Socio-Ecological Community Benefits. Korea University, Environmental and Ecological Engineering Program. May 9, 2023.
18. Forging an Intimate Connections: Trees, People, Place, and Spiritual Well-Being. The Tree of Life Conference. UConn Humanities Institute. April 28, 2023.
19. Municipal Land Bank Properties. CAHNR Sustainable Landscape Strategic Vision: Landscape Lunch and Learn. April 7, 2023.
20. Community Participation: Organization and Individual Responsibility. Federated Garden Clubs of CT Landscape Design School. March 29, 2023.
21. Community Planning for One Health. Department of Pathobiology (Dr. Sandra Bushmich; PATH 3095 Special Topics: One Health: Human, Animal, Plant and Environmental Health) February 23, 2023.
22. Human-Green Space Interactions. Department of Dramatic Arts (Dr. Matthew Cohen; Tree-Centered Ramayana Play Class). February 17, 2023
- 2022 23. Interdisciplinary Agendas for Landscape Architecture. Sungkyungwan University. Virtual. November 16, 2022.
24. Nature and Well-Being. Mindfulness for Earth Workshop. Old Saybrook, Connecticut. September 20, 2022.
25. Public Education and Outreach for Forest Management in the United States. Korea National Arboretum. Virtual. October 29, 2022.
26. Ecological Landscape Architecture: Research and Practice in the United States. Dong-A University, Busan, Korea. August 29, 2022.
27. Rediscovery of Urban Parks: Human Perception Changes Over Urban Nature after COVID-19 Pandemic, Seoul National University, Seoul, Korea. August 22, 2022
28. Intro to Urban Design; Parks, Playgrounds, and Conservation Areas, Federated Garden Clubs of CT Landscape Design School. March 23, 2022.

29. JEDI-Oriented Community Design. Global Landscape Architecture Network. Online. March 4, 2022.
- 2021 30. Urban Forest: Essential Natural Infrastructure in Urban Systems. Hanyang University Graduate School of Urban Studies. Seoul. Korea. Zoom. August 4, 2021.
31. Sustainability Perception and Sustainability Metrics. Arizona State University. LAR494598: Design Performance Seminar. Zoom. April 14, 2021.
- 2020 32. Plants in Landscape Architecture. UConn Department of Ecology and Evolutionary Biology (EEB) Luncheon Seminar Series. Zoom. October 30, 2020.
33. Preservation of Natural and Cultural Resources in a Historic Landscape. UConn Department of Natural Resources and the Environment (NRE) Fall 2020 Seminar Series. Zoom. November 16, 2020.
34. Landscape Architectural Approach for U.S. Cultural Landscapes Preservation. Korean Institute of Landscape Architecture (KILA) Webinar. August 18, 2020.
- 2019 35. A Story of Landscapes, Culture, and Practice: Personal Academic Journey of American Landscape Architecture. Department of Landscape Architecture & Rural System Engineering, Seoul National University. Seoul, Korea. July 9, 2019.
36. Special Seminar on Landscape and Environmental Planning. Department of Environmental Science and Ecological Engineering, Korea University. July 22, 2019.
37. Green Infrastructure Isn't just for Stormwater Management. The fourth joint symposium hosted by the Rockfall Foundation and UConn Climate Adaptation Academy (CAA): Site Design and Green Infrastructure for Changing Weather Patterns. Middlesex County Extension Office, Haddam, CT. April 12, 2019,
- 2018 38. Spaces that Matter, Sep 24, 2018. UCONN Civil and Environmental Engineering Seminar
